DESIGN

STYLETTO X

A NEW ERA IN WEARABILITY

Styletto X is highly sophisticated hearwear™ that looks as good as it sounds. Its iconic design transforms the outdated image of hearing aids and introduces a new era of wearability that perfectly matches your lifestyle.

STYLETTO X

HEAR WHAT MATTERS TO YOU

With its revolutionary Signia Xperience chip, Styletto X is as sophisticated inside as it looks on the outside. It delivers clear sound and speech comprehension to meet your hearing needs, even in noisy environments. Unique acoustic-motion sensors allow Styletto X to optimize your hearing to every situation so you can hear what matters. Whether you're out running, in a bustling shop or restaurant, or relaxing at home.

TECHNOLOGY

Giving hearing aids a new sense to understand your needs

Whether it's a cheerful chat or serious discussion, you need to understand speech all the time in order to live life to the full. In a world's first, Styletto X takes motion into account so that you can easily follow conversations, even when you're on the move.

Take in the richness of life

More than 90 percent of wearers report a natural sound experience while moving.³ The world's first hearing aids with acoustic-motion sensors enable you to hear clearly wherever you go and be an active part of every conversation.

Elegant charging case

Quick and easy to open, charging status LEDs are visible even when it's closed

The pocket-sized portable charging case is the world's first hearing aid charger with Qi wireless technology, enabling you to simply place the charger on a charging pad instead of having to plug it into the mains. Wherever you're going, Styletto X goes with you. Its charging case delivers an astounding 3 days⁴ of user autonomy without the need to charge the case. Styletto X is fully charged in just 4 hours. Plus, a 30-minute fast charge provides an additional 5 hours of use for complete flexibility on the move.

CONVENIENCE

STYLETTO X CHARGER

CONVENIENCE TO GO

Styletto X combines iconic design with innovative charging convenience for the ultimate in wearability. It provides a full day's wearing including 5 hours of streaming.⁵ So you can enjoy your favorite TV shows, movies and music plus calls straight to your hearing aids whenever and wherever you want.

SUPPORT

SIGNIA APP PERSONAL SUPPORT AT YOUR FINGERTIPS

Styletto X offers full remote assistance via the Signia app: Signia Assistant for instant sound adjustments and handling questions and Signia TeleCare for remote support from your hearing care professional (HCP).

Signia Assistant is your very own hearing companion to let you stay fully involved in life and hear what matters to you. Using artificial intelligence, Signia Assistant offers immediate support whenever and wherever you need it. It is available 24/7 to help you adjust the sound settings, answer your questions about how to handle your hearing aids, and troubleshoot any issues on the spot.

Signia TeleCare enables you to keep in touch with your HCP so you get support when you need it - even when you cannot visit them in person. You can also send your HCP instant feedback on your daily satisfaction with your hearing aids.
